The Las Veterans' Council is committed to the rehabilitation of our historical Fort Wootton Veterans' Memorial Square and serving the community.

2019 saw the utilization of the Fort's complex with special events of celebration, memorials, and holidays. The same events, and many others in service to the Las Animas County are coming.

Being a member with the LACVC greatly helps the Fort's growth and improvements - bringing it up to today's standards, while maintaining its unique features and Historical Designation.

**It's a long road ahead, but with your support the Mission will continue!**
